- (b) Cars of casual visitors to the school between 8.50a.m. and 2.30p.m.

PARKING ARRANGEMENTS

In view of the limited car parking spaces available on the road and the fact that the Board of Management has no control of that area the following suggestions are made in the interests of safety.

(a) **Private Cars**

The space between the main car park gates and the street barrier at the bottom (Bus) gate will be reserved for private cars.

All car drivers should park with the rear of the car to the kerb as the greatest hazard is when a car is backing out especially in damp muggy weather with fogged windows.

To allow free movement and facilitate the residents, no cars should be parked on the houses side of the road.

- (b) Buses should park in the area below the barrier at the Junior Infant gate preferably parallel to the kerb both for setting down and collecting children.

4. **CHILDREN**

To achieve these objectives the following rules will be enforced within the school:

- (a) No children other than those in Seomra Fiona will be allowed to enter or leave the school via the car park. Please do not put children in the way of breaking this rule.
- (b) All Junior & Senior Infants and 4th Classes will enter and exit via the upper and middle gates {red and blue gates}.
- (c) Bus children will enter and exit via the lower gate {yellow}
- (d) 1st – 3rd and 5th - 6th classes will exit via the church gate.

1. **CLOSURE OF SCHOOL DUE TO INCLEMENT WEATHER**

In the interest of children's safety it may be necessary to close the school on occasions due to severe weather conditions during the winter. If the Board of Management is forced to make such a closure every effort will be made to have it announced on KFM before 8.30a.m. Only the Board of Management has the authority to close the school and the decision cannot be made on its behalf by any other person or group of people. Signs with "School Closed to-day" written on them will be clearly displayed inside the perimeter wall. If buses fail to collect your children in the estates this is a matter between you and the bus drivers and the school authorities cannot be held responsible.

In the event of weather conditions deteriorating rapidly during school hours parents/minders are responsible for collecting children and they should not wait until normal finishing time. We sincerely hope that during inclement weather that the school will be able to operate without any closures.

Parents will now be informed of emergency closures through the school app and the school website.

EMERGENCY CLOSURES

On occasions there may be an emergency closure due to a break down in the heating system or a major power failure or for some other reason. If the B.O.M. is obliged to close the school for emergency reasons the same procedures will be adopted as for closure of school due to inclement weather.

Procedures regarding Suspension of Pupils / Withdrawal of Pupils from the classroom due to dangerous or gross incidents of misbehaviour

1. A record will be kept in the school of all instances of serious misbehaviour by pupils.
2. Parents will be invited to meet the class teacher to discuss such instances.
3. If situation does not improve parents will be invited to meet with Principal to discuss the instances.
If misbehaviour persists the matter will be brought to the attention of the Board of Management.

5. If the Board considers that it may benefit the child to return to school for part of the day e.g. 8.50a.m. to 12.30p.m. as opposed to the full day it will make such a decision, having discussed the matter fully and looked at all other options open to the child.
